

Monica's 4th Grade Music History

READING QUESTIONS: FOLK AND ETHNIC MUSIC

Give three examples of "folk music:"

What is common to almost all "folk instruments" ?

When is music given the term "ethnic music"?

How do styles of music migrate from continent to continent?

What influences are there on American folk music?

What is one reason that folk music remains popular around the world?

What gives "ethnic music" around the world its unique sound? (2 parts to the question)
